## Anita Cásarez Morales

APR 24, 1960 - APR 13, 2025

**W**eslaco- Anita Cásarez Morales, lovingly known as "Nana," passed away on April 13, 2025, in McAllen, Texas, at the age of 64. Born on April 24, 1960, in Mercedes, Texas, Anita lived a life rooted in faith, service, and unwavering devotion to her family and community. A proud graduate of Weslaco High School, class of 1978. Anita attended Pan American University, earning a B.S. in Criminal Justice. Her education laid the foundation for a lifelong career dedicated to protecting and uplifting children. Anita worked over twenty years as a counselor for the State of Texas Child Protective Services, working tirelessly to advocate for at risk youth. Her compassion and strength left an indelible mark on countless lives throughout her years of service. Anita's commitment to others extended beyond her professional life. She was a devoted volunteer with the Special Olympics and cancer outreach programs, giving freely of her time and energy to causes close to her heart. Whether offering support to families or cheering on athletes with boundless enthusiasm, she brought warmth and sincerity to every interaction. Faith was central to Anita's life. Alongside her mother, she was an active member of St. Joan of Arc Catholic Church in Weslaco and worshipped at the Basilica of the National Shrine of Our Lady of San Juan del Valle. Her spiritual devotion was evident in the values she lived by and lovingly instilled in her daughters. Anita was preceded in death by her father, J.A. (Tony) Cásarez. She is survived by her beloved mother, Dolores (Loli) Cásarez; her cherished daughters, Jade and Sarah; and her siblings: Mike Cásarez (Julie), Gilbert Cásarez (Cindy), Ed Cásarez (Elvia), Mary Jane de los Santos, Joe Cásarez, and Leonard (Lizeth) Cásarez. She is also survived by numerous nieces and nephews. Those who knew Anita will remember her as a woman full of contrasts that made her unforgettable- tenacious yet open-minded, tough yet tender. Her disarming smile could warm even the coldest day, and her infectious laugh had a way of filling any room with joy. She lived authentically and loved deeply. A rosary is

My heart aches. Anita Casarez was one of my first CPS case workers when I entered foster care at the age of 10. Despite being removed and having tons of anxiety, loneliness, depression, etc., Anita was always good to my siblings and me. She had a kind heart and tried hard to give us comfort. Anita is one of the case workers some of my siblings still remember, and I know we will never forget her. Rest easy, Anita. I wish I had time to thank you for what you did for my family.

The first memory of Anita that came to mind when I was notified of her passing was what a fast runner she was going back to our Louise Black Elementary days. Anita seemed to have a smile on her face in every memory I have of her. To her entire family I extend my most heartfelt condolences and prayers. May Anita rest comfortably in God's warm and loving embrace.

It's is with a broken heart that I express my condolences to the Casarez family. I had not spoken to Anita in quite awhile. Nevertheless, growing up 2 houses down from the Casarez home, i grew up hanging around Oregon Street playing ball, riding bicycles and generally hanging around the barrio with Anita and all her brothers. I remember Anita as a joy filled and funny individual. Always laughing!!! We would always bump into each other to and from school from 1st grade to the day we graduated. I will always remember the good times we had and be thankful for the support their family offered during our times of tragedy. It's those times that bind and can never be forgotten. Rest in God's eternal embrace my life long friend.

My deepest condolences to the Casarez/Morales families during this difficult time. Anita was a year under me in school. I remember when I first met her she had this big smile and was always so happy and friendly. I was so glad I got to meet her and be a part of those growing years when life was simpler. Family, Church, school and many many friends. That was us all growing up. Rest in eternal Peace my friend. God bless Mrs. Loly her mom, daughters, siblings, family and friends. 🙏

My deepest condolences to the Casares and Morales family. Anita was beautiful friend we all had the pleasure of growing up with. We share so many memories of playing together with all the neighborhood kids, early morning trips to wrap silverware at Louise Black Elementary, playing in sports together and just hanging out. We were all brought up with our families that truly enjoyed spending time together with all the kids around the neighborhood. Many memories were shared at church as well. I will forever cherish all those memories of growing up together. Until we meet again my dear friend. May you Rest In Peace in God's loving arms and may the perpetual light always shine upon you! 🙏»âœ ĩ,â ċĭ,đŸ"

Sending my deepest thoughts, hugs, and prayers to Anita's family during this incredibly difficult time. Anita was more than just a classmate"she was a dear friend, a teammate, and someone I had the joy of growing up with through school and church. Her kindness, warmth, and beautiful soul touched everyone who knew her. Our basketball team was like family, and Anita brought so much heart to it"on and off the court. I will always hold close the memories we created together"the laughter, the support, and the shared moments that made high school so special. I'm forever grateful for the time we shared and the friendship we built. Rest peacefully, Anita. You were truly one of a kind, and you'll always be remembered with love and light.

Anita was my fun friend. She loved she was tall and I was short. She and I went cruising in my first car. We did our first "Donuts" together. Anita and I watch movies on tv together. She loved scary movies. I remember her taking me every once in a while to wrap silverware at the school cafeteria so I could have free lunch. We shared an apartment our first year at Pan American. We lost touch but just last week I was sharing our experiences with one of my own kids. Love you my friend. We WILL see each other again.
