Aye, my ma'amish ! It's been a while since working with you at HEB Weslaco. But your person/ kind soul is never ending memory of a friendship that is a part of my life. So many memories, we celebrated, we sorrowed, we lifted, we were praised and even got in trouble at work together, You would always find yourself having to defend me ...! I'm smiling just remembering. A few of our bakery partners were remembering you a few days ago when we heard? The blessing's, peace and strength of the Lord be with your family.
