Jacob Fonseca Sr.

DEC 19, 1962 - AUG 2, 2024

Jacob Fonseca, 61, of Mercedes, Texas, passed away at his home in Mercedes on Friday, August 2nd, 2024. He was born on December 19th, 1962, to Maria Silva and Benito Fonseca Sr. in Weslaco, Texas. Jacob was best known for putting a smile on your face and being there when you needed him. He was predeceased by his mom, dad, and brother, Cornelio. He is survived by his loving wife, Lucia, ten siblings, two sons, Jacob and Paul, and eight grandchildren, Paul Jr., Khloe, Marlene, Isaiah, Emma, Isaac, Ivan, and Ian. Don't think of him as gone away his journey's just begun, life holds so many facets, this earth is only one. Just think of him as resting from the sorrows and the tears in a place of warmth and comfort, where there are no days and years. Think how he must be wishing that we could know today how nothing but our sadness can really pass away. And think of him as living in the hearts of those he touched... for nothing loved is ever lost and he was loved so much.

On behalf of the Cortez family -we sincerely empathize with the entire Fonseca family. Him and Cone were a few of the BEST childhood friends. Our parents knew each other as much as us kids did. It's truly difficult to remember Jacob without thinking loud, funny -actually hilarious, and sincere love of a brother/friend! 🙏

I was friends with his brothers Hipolito and Cornelio. I also got to meet their parents at weddings and quincenedas. His parents used to go to most of those events as I did as well. I met Jacob when he entered high school as a freshman. Of course I was older then he was but I befriended him because he was a happy go lucky kid. I saw him a few months ago and he told me about his illness. He wasn't bitter or angry he just took it in stride. That was the type of person that he was. My sincere condolences to his wife and family and to his siblings as well. May Jacob rest in peace amen 🙏🙏
