## **Sulema Q. Rodriguez**

NOV 2, 1943 - NOV 29, 2023

**W**eslaco: Sulema Rodriguez, a hard worker and dedicated mom, passed away on November 29, 2023, at McAllen Medical Center.

Born on November 2, 1943, in Weslaco, TX, to Francisco and Santos Quesada, she lived a remarkable life filled with love, perseverance, and numerous accomplishments. Throughout her career as a nurse, Sulema touched the lives of countless patients with her compassionate care. Her dedication to improving the well-being of others was evident in the way she carried out her responsibilities each day.

Sulema served the Weslaco community for many years at Knapp Medical Center. However, Sulema's accomplishments extended far beyond the medical field. An enterprising spirit led her to become a successful entrepreneur as she opened a flower shop in the family nursery at the Farmers Market in Dallas. She enlisted her sons and daughter to help, and together, they created beautiful floral arrangements that captivated customers and brightened their days.

Sulema's creativity blossomed through this venture as she expertly crafted stunning displays that showcased nature's beauty. Apart from her professional endeavors, Sulema had many hobbies and interests. She possessed an inherent talent for various crafts and could transform ordinary materials into extraordinary creations. Sewing was one of her passions, and, luckily for her daughter, she had a remarkable ability to replicate designer clothing with superior quality at a fraction of the cost.

Sulema's character can best be described as feisty, strong-willed, loving, and caring. She embodied the essence of selflessness by adhering to the philosophy that giving is better than receiving. Known for showering loved ones with thoughtful gifts while rarely indulging herself, Sulema exemplified generosity in all aspects of life.

Familia Franco-Briceño, Tuvimos la oportunidad de conocer a esta gran señora (Sulema) en sus últimos años, siendo la abuela de Sabrina Treviño (esposa de nuestro hijo Renny Franco) y bisabuela de nuestro nieto (Renny Sebastián Franco). Sulema tocó nuestras vidas como una mujer muy amable y con un afecto familiar incomparable hacia nosotros. Compartimos momentos especiales con Sulema como cumpleaños de su bisnieto Renny Sebastián, también en otros eventos familiares. Sulema siempre tenía una sonrisa a flor de piel con una conversación amena y agradable como su presencia. Su partida tocó nuestros corazones, pero sus misiones no terminan en este plano terrenal... Continúan más allá del firmamento con nuestro Padre Celestial, así como cumplió muchas misiones y logros en la vida, continuar sus misiones en el plano celestial. Te extrañaremos Sulema. Con amor, Familia Franco-Briceño.
