Tia, Although I will your infectious laugh and smile, I'm going to celebrate the selfless life you lived, the way you opened the doors for my mom and us, being by our side during mommy's last days and helping us care for her. Thank you for being a loving niece to our gramma and paw-paw. Thank you for comforting me after mommy died. Megan and I are happy that mommy has you again in heaven to celebrate the way you did when y'all were together.
