Bob and I have been close friends for more than 40 years. I have so many fond memories of him everything from throwing darts in his back room after working hours to the traveling that we have done to Las Vegas and Colorado to the Ozarks and the many fishing and camping trips we made. Bob even tried his patients with me by teaching me golf and the frustrations that go along with it. I am still experiencing those frustrations every time I play. You were such a good friend and I will always be grateful for knowing you. So Bob, save me a spot on your foursome. So long for now dear old friend. I'll try to remember to bring you a cold one.

So many memories with Bob, from fishing and The Carpet Co. He taught me the secret to fishing (Old Mill), gave me my first shotgun. My greatest memory of him will be how good of a friend he was to my father. Love you Bob.
