Nela, I will miss you so very much. I appreciate all the knowledge and experience you gave me. I enjoyed the margarita Friday dinners we had with Donna, and Francina. I will miss your laughter and your ability to get us both into so much mischief. You were a good friend and I hope you at peace with our Lord in Heaven. Margot Rivera, RN

To our Nelly Belly, we will always miss you, always love and remember and smile with stories of you. There are too many to count. My heart is broken Tia. I wish you could have stayed with us. But may your journey now take you everywhere the wind can take you. Forever in my heart and soul and thoughts, Nurse Bubbles. (Chumina II) (Abbita)
