Jose G. Trevino

DEC 7, 1926 - FEB 8, 2019

Weslaco- Jose G. Treviño Sr., 92, passed away on Friday, February 8th, 2019 at his home.

He was born on December 7, 1926, to Amador Treviño and Maria de los Angeles De Leon in Hualahuises, Nuevo Leon, Mexico. He attended school in Mexico and was raised there along with his nine siblings.

When Jose was a young man he migrated to the United States and settled in Weslaco. It was here that he met his bride, Maria Trevino. They were married on February 1, 1956 and spent the next sixty-three years together.

Jose and Maria raised six children together. They both worked very hard. Jose worked in landscaping and agriculture. He grafted many Rio Red grapefruits at countless orchards in the mid-valley. He was a talented landscaper and much of what he knew was experience, but he was also given a gift from God as a natural "green thumb".

Jose and Maria would migrate all over the United States every year. They traveled the country with their children, working in California, Oregon, Washington State, Minnesota, to name a few. The children treasure the memories of those road trips because they were afforded an opportunity that few are able to attain, to see much of the United States as young children and the beauty that our country has to offer.

When Jose was not migrating, he worked many years for Southern Nurseries and the Bence family until his retirement. Although he worked tirelessly to support his family, he thoroughly enjoyed his living. He loved landscaping, working in the yard, gardening and planting. Most everything Jose planted flourished into a beautiful masterpiece.
