My thoughts and prayers are with the entire castillo & Duran families during this difficult time! Sweet Amelia, we have all awaited your arrival...your mommy & daddy and everyone else near and far loved you more than words could ever say. I know you are playing with all of your baby cousins and enjoying God's heavenly home, but we all miss you and love you here. Someday I will meet you in heaven but until then I will carry your memory with me. Jackie & steffan I am here for you both only a phone call away *****hugs*****

You're gone, but not forgotten. You touched many hearts in a small amount of time. You even touched my heart. I remember when I was trying to hear you while you were in your mommy's tummy and you kicked me. It was so cute. And when your mom started craving elote and I ran to the ice cream man. You got your elote that day mamas. Words cannot explain the pain your mother is feeling, but I'm here to take care of her. Your mommy was going to take great care of you. But now you're going to take care of her up in heaven. Oh my god. You look just like your mommy, but only better. I really wish you could have stayed longer.. Everyone misses you. I wanted you to meet my daughter and become best friend just like your moms are best friends. But God has a better plan in store for you. Thankfully He lent us an angel, but sadly had to take her away from us too soon. She was too beautiful for this cruel world. But her mother doesn't know why you do what you do, nor will she ever know God. But I ask for you to please guide Jackie and give her strength to overcome this and the many obstacles you'll give her. Amelia Jhene Duran Castillo. May you rest in peace and play with the angels inside the gates of heaven. You are now your mommy's guardian angel.
