Bob was my father-in-law. He was soft spoken, has a gentle personality and always a wonderful smile. Jackie and Bob had an incredible commitment and most importantly absolute love for each other. There are lots of very warm memories when Reena (granddaughter) and I came to visit from Boston - Granddad and Reena riding on the powered lawn mower, picking vegetables in their incredible garden to name a couple that will last a lifetime. And who was going to get more of Jackie's pineapple upside down cake. You will always be in my heart. Love - Linda
