Jethenro Nath Halder

OCT 18, 1994 - JUL 4, 2014

Jethenro N. Halder was born on October 18, 1994 in Weslaco, Tx, where he was lovingly welcomed by his parents, Donald and Marci Halder, and sisters, Nitha and Roshmoti Halder.

Jethenro loved technology and could always be found working on his computer devices or dreaming of the latest invention. He was a student at UTPA pursuing a Bachelors degree in Nursing and enjoyed participating in many church activities.

At the age of 16 Jethenro was diagnosed with Leukemia, which he battled for three years without a single complaint until July 4, 2014, when Jethenro lost the fight against cancer. He is remembered by others for his positive, selfless character and his love for the Lord, his family, and friends.

We have known Jethenro since he was a baby. He grew up so fast, but we have always been impressed with his ability to help people, and keep a smile through all his trials and tribulations. His father and mother have done a wonderful job in raising all of their children and they deserve our respect and admiration. He will always be remembered by us with the warmest memories. May God bless and watch over you all through the ups and downs of life.
