Although it's not much we planed a tree in your name tia. You have always said I was your daughter and I have always seen you as a mother. We had many happy memories with each other and with the kids. I know you are happy in heaven with grandma and grandpa. Love you

My heart is broken over the loss of my aunt. Some of my favorite memories are our yearly trips to Astroworld laughing, riding rides, and just being together. Those moments will forever hold a special place in my heart. I will miss you always.
