Mickey Villalon

AUG 14, 1958 - JAN 24, 2026

Weslaco - Mickey Villalon, 67, passed away peacefully on Saturday, January 24, 2026, at his home.

He was born on August 14, 1958, in Edinburg, Texas, to Pedro and Josefa (Rangel) Villalon. After losing both of his parents at a young age, Mickey became an orphan, an experience that deeply shaped his life. Through that early loss, he and his siblings formed an unbreakable bond.

Learning to navigate grief as a child gave Mickey a rare depth of compassion—one he would later draw upon to guide, support, and mend the hearts of students who needed it most.

Mickey grew up in Weslaco, where he played football for the Weslaco Panthers and remained a loyal fan throughout his life. His pride in his hometown and school never faded. He dedicated twenty-two years of service to the Weslaco Independent School District, leaving a lasting impact on countless students.

Mickey took a genuine interest in the lives of the children he worked with, particularly those who were struggling. His philosophy was simple: love, encourage, and believe in them. Through this approach, he helped steer many young lives onto better paths, earning their respect, trust, and lasting gratitude.

Mickey loved the outdoors—whether fishing, watching a game, spending a day at the beach, or simply enjoying nature. A lifelong sports enthusiast, he was a proud Dallas Cowboys fan. He also enjoyed barbecuing and cooking for friends and family and cherished traveling to Dallas to visit loved ones.

Known for his sense of style, Mickey was always well-dressed and never missed an opportunity to go dancing. Tejano music was one of his greatest joys and often filled the background of gatherings with family and friends.

Mickey, I only had the opportunity to work with you for one year at Cuellar Junior High (1992-93). You were truly a classy guy, always well dressed and professional at all times. Respected by all and a very hard working employee.

You made my job as as Assistant Principal (along with David Howell and Dr.

Edward Lyman), so much easier. I have so many great memories of you. I actually talk about you to my children from time to time. You are missed, but Heaven has gained another Angel. Until we meet again my friend. Al Barbosa & Family
